

GRASP 2018

(Grades K - 8)

Dear Parent:

Okemos Community Education has made arrangements to acquire the GRASP program for you this summer. GRASP is a correspondence program for grades K to 8 which helps students maintain reading and math skills while they are on summer break. Each child should be placed at the grade just completed in school. If your child is ahead or behind their grade level, order the level that is appropriate for your child's needs.

Students receive a packet of materials with a booklet containing 9 lessons. It should take your child approximately one hour to complete each weekly lesson. They complete one lesson a week or work at their own pace, as long as they submit lessons before August 6th. Completed lessons are mailed to GRASP where they are scored and returned to the children with comments. Students successfully completing at least 7 lessons with 70% accuracy are awarded a certificate. Those successfully completing all 9 lessons with 70% accuracy also receive a medal.

An online version of GRASP is available for students in grades 4 to 8. These students will receive feedback immediately. Login information will be provided by GRASP for students selecting this option.

The enrollment fee is ***\$36 for one subject, \$59 for two subjects per student***. Online registration is available at www.okemosonline.com. Please use the form below ONLY if you are placing a multi grade order (for example 4th grade Math and 3rd grade Reading). Mail or Drop off forms to Okemos Community Education, 1826 Osage Dr., Okemos, MI 48864. PLEASE DO NOT SEND FORMS THROUGH THE SCHOOL.

Materials will be available for pick up at Okemos Community Education the week of June 4th. Login information for the online version will be emailed to the parents by June 4th.

THE REGISTRATION DEADLINE IS FRIDAY, APRIL 13, 2018.
